Dismissal information

It is very important that if your child is riding a different bus home that we have a **written note** with your child's name, the address of where they are going, a phone number to contact you regarding the change and your signature. The note should come to school with the student in the morning. **We discourage changes over the phone because it is difficult to know who is on the other end of the call.** We make every effort to keep your child safe at Holland Patent Elementary. If you have any concerns, please contact me at 865-8151.

Thank you,

Sarah J. Vergis
